## & Media Interview Opt Out - 5125(c).1

During the school year, the Cranston Public School District often has the opportunity to photograph or record students in a variety of school-related activities. Student recognition programs, academic, and fine arts programs are a few examples of these activities.

These photographs or videos may be used in communication tools such as district newsletters, district website, or in communication with the media such as allowing interviews or photographs of the students. The district reserves the right to deny media requests for student interviews at any time.

Highlighting achievements in our schools is an integral part of reporting responsibly to our community and is a way to share the success of our schools and students. Our primary goal is to respect your privacy, therefore, if you **do not** elect to have your student's image or works used in district or media publications, please fill out the following form and return it to the school office.
